Med Spa NYC

New York City's premier med spa with competitive prices, and is highly rated on Google. Consult with our cosmetic expert, Jane Scher, RN with over 30 years of experience. Learn more about our non-surgical cosmetic treatments by contacting our office located in Upper East Side Manhattan.

Podcast with Jane Scher

Welcome to the forefront of aesthetic excellence and innovative skincare at SkinTight MedSpa, where we take pride in offering an exclusive array of med spa services and products that redefine beauty and wellness.

Get Skin Tight

SkinTight MedSpa is committed to fulfilling your every aesthetic need using minimally invasive procedures (fillers, laser, light and radiofrequency).

As a premier med spa in Manhattan, we offer cutting-edge cosmetic and skin treatments that will vastly improve your appearance. If you're looking to treat skin conditions such as sun damage, acne scars, wrinkles (crows feet), and many others – or if you just want to tighten and enhance your features – we have treatments such as BOTOX, Lumecca IPL (Intense Pulse Light), KYBELLA®, Diolaze (Laser Hair Removal), Sclerotherapy (Leg Vein Removal), JUVEDERM®, RADIESSE®, Fractora, Clear + Brilliant®, and other med spa services. We have the latest state-of-the-art equipment that has proven results for each treatment.
